

## **Guidelines for Science and Technology Exhibition, Islamabad, 8-12 November, 2015**

The following key aspects of the exhibition may be kept in mind for participation:

1. Registration Form is attached. This may be filled in and returned to Mr. Umar Sheraz, Senior Policy Analyst, COMSTECH at [umar@comstech.org](mailto:umar@comstech.org) . The last date for registration for participation in the event is 15<sup>th</sup> September, 2015.
2. Number of persons / stall: Maximum of two persons per stall.
3. Two exhibiting participants per network will be provided with board and lodging and pick and drop facility from airport. Any intermediate lodging/boarding arrangements will be the responsibility of the participating team.
4. Participating networks shall bear all costs related to the cost of travel for two exhibiting participants as well as display items (posters, machinery, video- equipment, etc) and their shipping and transport costs
5. The participating networks can put up exhibits, posters, videos etc. as well as actual products and devices, covering the following (**but not restricted to them only**):
  - Food , Water and Agriculture, (New seeds, water efficiency development, agro-biotechnology)
  - Renewable Energy – Green Technology, Energy Efficiency
  - Chemistry and Biology, Drug Designing, Vaccines, Pharmaceuticals
  - Physics and Mathematics, Laser and Photonics; Plasma Physics; Materials, Nanotechnology
  - Electronics, Chip Designing, Electrical and Medical Systems;
  - Information and Communication Technology (ICT); Cyber Security
  - Astronomy, Space, Oceanography and Marine Biology, Accelerators, Climate Change
  - Modeling and Simulation
  - Test and Measuring Instruments
  - Lists of Publications, Text Books and Patents produced
6. A nominal participation fee will be charged for the exhibition stall. The participation fee will be communicated to interested participants, shortly.
7. Basic Stall size is 3m x 3m per network.
8. All stalls ( 3m x 3m) will be provided with 2 tables (size 4ft X 2ft), 2 chairs, electric outlets and lighting. Participants will bring their own laptops and their own multimedia projectors for any multimedia presentations.
9. Participants can exhibit 8-10 posters (1m X 2m) in the stall. One Popup/Standee/ Roller Stand (0.5m width X 1.5m ft height) can also be erected. The posters and popup should be preferably in English language. Posters in Arabic and French language can also be printed for exhibits.
10. Participants are expected to be fluent in English and should be able to demonstrate their displays in English language.
